The time is coming, for Harvest Church, for the congregation, young and old. His Glory is about to manifest in such a way it is going to be so powerful that everyone is going to rub their eyes, and ask, am I seeing things, what is this? The Shekinah Glory of the Lord is going to hover over these people. They are getting ready to see days and seasons of the demonstration and manifestation of supernatural power. It is going to start to fall upon the church especially during worship time. His supernatural power of the Shekinah Glory is going to stay on Harvest Church. Cancers before your eyes will die, tumors will disappear, blind eyes will be opened, deaf ears will hear and be unstopped, cripples will walk.

The reason why this is going to take place is because men have been crying out, "Lord, where are the miracles?" God is waiting for those who will rise up and come together as an army of mighty men, and mighty women and mighty young people and children. God does not put an age limit on this. Get ready, be mighty in prayer, mighty in praise – mighty in fervency and zeal, be fervent in prayer, fervent in worship.

God says stop looking at numbers, stop looking at how many are coming to church or how many might be watching online. God says just trust me and get ready for, an explosion! He says there are 4 mandates that are to produce a church that will bring Glory and Honor to the Lord. Your people, every man, woman, child let it be repeated. Let people replay it, typed out, written up, handed out. Here is the mandate.

### **MANDATE #1: Make a Daily Appointment with God**

I want everyone of you, every man, every woman, every boy, every girl to make an appointment with Me, (says the Lord). Every working day that your going to rise up, and meet Him in Prayer. He is not saying pray to Him, but meet with Him. He is partnering with us, we are in a season He wants to collaborate with us. Arise at a specific time every day. Give Him at least 10 minutes to meet with us, and He

will! Let our words be, Lord by your grace, as long as I am able, I will meet with you. The time you meet with Him is irrelevant, whether early in the morning or late at night. Covenant with Him. He will continue to speak to us.

If we will gather as men, gather in prayer, God wants the men to gather in prayer. Time for the men to step up, if we will gather with Him in our home, establish an altar in the home. An altar is a place of sacrifice, a place of remembrance, a place we give Glory to God. If all the men would gather once a week in fervent intercessory prayer. Intercession comes from prayer. We need to intercede. Intercede for the Nation, city, neighborhoods. From that comes strategic prayer. If we keep this mandate, He will guide you and we won't need to have a want list, because if we are meeting with Him, everyday and He is meeting us. The list we have starts to shrink because He starts to absorb the list and starts to answer things on the list. The Holy Spirit will lead us on how to pray. The Kingdom of God will expand. Lord show us how to expand things in your Kingdom and show us if we meet with Him, if we covenant with to meet with Him, He says I promise you that I will covenant with you. I will show you what to do in your marriages. I'll show you what to do with your business. I'll show how to deal with problem children. I will show you how to get along with other people in the church, with people outside the church. I'll show you how to prosper, I'll give you knowledge and wisdom. The bible says we have not because we ask not. We need to ask for it.

**MANDATE #2: The Word of God comes not as a suggestion.**

**Increase in all that you do!**

**Increase in sacrificial giving – time, talents, tithe.**

New businesses rising up when we partner with the Lord and the Holy Spirit, the opposite begins to happen (referring to the current economic situation).

Its our place to step up, the Lord say's He is going to make millionaires, for the Honor and Glory of His Kingdom and advancement of the Gospel.

We are poised to reach young people, new businesses, reach entrepreneurs. Men and women are going to be inventive. Young men and women are going to get inventive, God is going to give them word's of knowledge and to meet the need in a secular world and business. The Lord says He knows the condition of the church. He says He is going to bless and prosper Harvest church.

The word of the Lord comes not at a suggestion, that I want you to increase, would be nice if you increased. The Lord says I want you to increase. I want you to go above and beyond. I don't want you living in lack or come up short. He says He is going to see to it that we are nobody's debtor. Tell them, no one can out give Me, you can't out give the Lord. Put into practice the principle of sacrifice. The Lord says all the Gold and silver is Mine.

**MANDATE #3: Ministry of compassion first in Home Missions and in Foreign Missions**

Minister to the disenfranchised, under privileged, homeless, illiterate, those who need to learn English, immigrants, the needy, the shut ins, uncared for, sick and in prison. The Lord says He has put a ministry of compassion upon Harvest Church. The fuel to Harvesting is compassion. If you take care of the poor and needy the Lord will take care of you.

God says as you do this, pray, fast and reach out to the community, I'm not only going to bless you, the deposits will be so much more that they have ever been. The numbers are going to grow. Finances will grow. There is going to be a storehouse to take care of widows, orphans, strangers, needy. It is going to be a refuge, even for the outcast. The Lord says I want you to know He has only begun what He is about to do in our church.

He says, tell them "they have begun to start seeing what they will see". We are to be a church that can restore. A church that can grow is a church that prays and shouts and intercedes and dances before the Lord. When David left the Ark at home, they would lose the battles. With they won. The Ark represents praise. Unhinge your praise, the Lord says He is going to help you fill the gaps in the community and as you pray and increase the sacrificial time and giving and everything.

**MANDATE #4: Understand the purposes of Vision – Return to the simplicity of the Word and speak the Word with clarity.**

I am going to give you more vision and the Lord is saying out of Habakkuk “write the vision down plainly so everyone can see as they are running by.” Give the vision and keep rehearsing it. Take off the restriction of time and start to have this vision. The Lord says sometimes you have to hear over and over and over, sometimes 50 times, 60 times, 70 times before we actually get it inside of us. Get rid of distractions. Busyness, excuses, I don’t know if I have time, we can’t afford to not make the time right now because this is our season that God wants us to move in.

### **MANDATE #5: Increase Praise and Worship**

#### **Begin the first song on a note of Celebration & Victory**

Just let the praise and worship increase in our heart. Because God has a destiny and purpose for the church and God wants us to do it with a free spirit. He doesn’t want you to feel like this is a religion, or moralistic. God says you should have a passion to want to do this with a free spirit. And when we come into His Presence, sing His praise just free spirited. God is going to bring celebration and victory. Not only to our personal lives. The Lord is saying, don’t forget who is mighty here, I am God, the Alpha and Omega, the Beginning and the End. He says I want you to allow Me to uplift you, I want you to magnify Me and I am going to uplift your arms during these very troubling times. I promise you My inhabitants. God is speaking to Harvest Church. He says I am promising you My presence, I am promising you that I will inhabit your praises, your worship and intercession and your prayers. I will dwell in your prayers, intercession and worship and at your altar time, God says I promise you My Presence.

And when you get discouraged and you will at times, and you will feel things are border line, monotonous, as they will.

God is saying, then a prophetic word will come again, that will challenge you. He is promising you, that if you start to hit the skids, God will send another prophetic word to lift you back up, to fuel you, to keep going forward to challenge you, to keep you moving forward. God is saying, don’t get all hung up and stuck in the Bible, trying to interpret the word of God. He is saying, listen for My voice, listen for My whisper. Declare the Lordship over your territory, over your neighborhoods, prophecy over neighborhoods, speak words of wisdom to the spirits of the air. Prophecy against negative words, and all these things going on.

In the next 3 years, He is going to visit this church with His manifest Presence, the Shekinah Glory. God is saying, there is going to be people that are so accustomed to sitting in their seats, standing by their seats, they are going to go out into the aisles and come up to the altar and just going to be unleashed and dancing and weeping and crying tears of joy, and getting on their faces. Because He is going to make the altar a place where a fresh river is going to flow. The church is going to start to feel a fresh anointing that is going to come upon the church.

God is saying, if we will grab onto these things and hold onto these things. If we will work at them, God is going to start the engine, is going to be the oil that is going to move the gears and get everything going again. God is sending a second breath to us, God has said very clearly teams are about to grow in the church. Healing teams, evangelistic teams that will start to reach people like never before. Worship is going to go to a whole new level and worship is going to open up the heavenlies and it going to be amazing what God has in store for us.
